No. of Participants: 180	**Faculty Co-ordinator**: Dr. Noor Firdoosh Jahan

Brief Details of the Event:

The workshop was organized as a value addition to the subject Business Research Methods to provide students with the knowledge, skills, and abilities to analyse data using SPSS software

Flow of the Event:

The Workshop was very well conducted delivered by the resource person, Mr. Satish Kumar was very much beneficial for our students as:

- The workshop was organized as a value addition to the subject Business Research Methods to provide students with the knowledge, skills, and abilities to analyze data using SPSS software.
- The learning of the students about the subject was very well explained by the resource person in practice as all the students were given access to SPSS software and they also had data sheet containing the data collected by them for their project work in BRM subjects.
- During the workshop, all the students were made to clean their data and carry on various types of analysis based on their objectives of the study on SPSS.
- The session was very interactive as the students had many doubts and same were very nicely answered by the resource person.
- Overall the learning of the students was very good and objectives of arranging this workshop were very much achieved.

The workshop was concluded by our vote of thanks from the faculty and coordinator, Dr. Noor Firdoos Jahan.

- **Outcome of the Event:** During the workshop, all the students were made to clean their data and carry on various types of analysis based on their objectives of the study on SPSS.
