RV Institute of Management (RVIM), Bengaluru, successfully organized the 3rd International Conference on Business Intelligence and Data Analytics (BIDA 2026) on April 11 and 12, 2026, in hybrid mode, with technical sponsorship from the Soft Computing Research Society.

The conference commenced with a welcome address by **Dr. Purushottam Bung**, Director, RVIM, who emphasized the growing significance of data-driven decision-making in today's dynamic business environment. The event concluded with a vote of thanks delivered by **Dr. K. Aparna Rao**, Professor and Deputy Director, RVIM, acknowledging the contributions of all stakeholders.

The two-day conference received an overwhelming response with 1,451 research paper submissions from nine countries, out of which 129 papers were accepted after a rigorous peer-review process, reflecting an acceptance rate of 9 percent. The selected papers will be published in the Scopus-indexed Springer book series "Smart Innovation, Systems and Technologies."

The conference featured keynote sessions, plenary talks, invited industry sessions, and 25 parallel technical sessions covering themes such as business intelligence, data science, artificial intelligence, and emerging technologies. Eminent speakers from academia and industry, including experts from leading organizations like Cisco, Google, and IQVIA, shared their insights on data-driven innovation.

The inaugural ceremony was graced by distinguished dignitaries including Dr. M.H. Bala Subrahmanya from the Indian Institute of Science and Mr. Ashwinder R Singh, Group Vice Chair and CEO of BCD Group. The valedictory function featured Dr. Shobha G, Dean at RV University, and Mr. Naval Kishore Bajaj, Vice President (Commercial), SEG Automotive.

Dr. Noor Firdoos Jahan, Conference Chair, stated that BIDA 2026 served as a vibrant platform for knowledge exchange and collaboration in the field of business intelligence and data analytics. The conference concluded successfully with the announcement of best paper awards and enthusiastic participation from academia and industry.
