REPORT ON STUDENT PARTICIPATION IN THE INDUS ENTREPRENUERS NETWROK- TiE ACCELERATOR PROGRAMME

Organised by
TiE in Bangalore

About The Accelerator Programme

TiE Bangalore Chapter has initiated this accelerator programme where the particiapting team is given a paltform to learn from the exeprts and entreprenurs and their indicdual journey and experience.This is a 6month long progamme engaging these aspiring entreprenurs to believe in their ideas they propose and learn to develop them into commercial ventures.

Ten member students' team of RVIM have been provided the opportunity by the college to participate in the 6 months accelerator programme that trains students on entrepreneurial skills. The programme is 6 months long programme providing students' opportunity to participate in the entrepreneurship conference, workshop and expert webinar sessions. This programme has seen students participation from all over India at the Bangalore chapter of TiE. A total 17 teams are participating in the programme where RVIM's two teams with their business idea - Happy Age and OZY are participating. Through the programme every participating team have learnt to plan and implement all their learning into developing their business plan - at the end of the course each student team will compete and pitch their ideas and business plan to a panel of judges the selected best idea will participate at the TiE - Global Summit in Dec'25.

Programme Workshops Organised:
