Date: 28 April 2026	**Venue: RV Institute of Management, Bengaluru**
Time: 2 PM	**Event : CEO Chronicles – April Series**
No. of Participants: 180	**Event Coordinators: Dr Aparna Rao Prof. Sowmya Dr. Kokila Kulkarni**

1. **Objectives of the event:**

- To provide students with first-hand insights into entrepreneurship and leadership.
- To understand the challenges and opportunities involved in building a successful startup.
- To expose students to real-world business experiences beyond classroom learning.
- To inspire students to develop leadership, innovation, and problem-solving skills.
- To bridge the gap between academic concepts and industry practices.

2. **Event Details**

The Department of Human Resources, RV Institute of Management, organized the April edition of CEO Chronicles, an interactive leadership talk series featuring distinguished industry leaders. The session was designed to offer students valuable exposure to entrepreneurial journeys, strategic decision-making, and leadership lessons from successful business professionals.

The resource person shared his experiences in establishing and scaling his organization, discussed challenges faced during the entrepreneurial journey, and highlighted the importance of innovation, resilience, and continuous learning. Students actively participated in the interaction and gained practical insights into leadership and business growth.

3. **Brief profile the resource person/s**

Mr. Vijay Raghav Varada
Founder & CEO, Fracktal Works

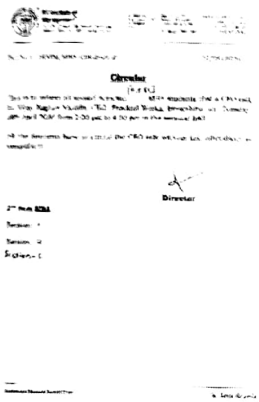

Mr. Vijay Raghav Varada is the Founder and CEO of Fracktal Works, a technology-driven company specializing in advanced 3D printing and additive manufacturing solutions. He is recognized for his entrepreneurial vision and contribution to innovation in the manufacturing sector. Under his leadership, Fracktal Works has developed cutting-edge technologies and products, helping industries adopt modern manufacturing solutions. Through his journey, he has inspired young entrepreneurs and professionals to pursue innovation and excellence.
